

Declaration of Compliance with regard to the German Corporate Governance Code in the Business Year 2006

At the meeting on December 12, 2006 the Board of Management and the Supervisory Board approved the following Declaration of Compliance pursuant to sec. 161 of the German Act on Stock Corporations (AktG):

MorphoSys AG complies and will comply with all recommendations of the German Corporate Governance Code – in the version of June 12, 2006 – with the following exceptions:

- The stock option program for the Board of Management does not provide a cap for unforeseen developments within the meaning of Code Sec. 4.2.3, since the reasonableness of the amount of stock options for the Board of Management has already been considered at the time of the grant.
- The present D&O insurance policy at MorphoSys AG includes a deductible for Management and Supervisory Board members (Code sec. 3.8, para. 2), the magnitude of which however, may be at a level which does not comply with the requirements of the German Corporate Governance Code.

With these two exceptions, MorphoSys AG has also complied with the recommendations of the German Corporate Governance Code in the time period since its Declaration of Compliance of December 2005.
