Each new item must be accompanied by a statement of reasons or a draft resolution. The request must be addressed in writing to the Management Board of MorphoSys AG and must be received by the Company at least 30 days prior to the Annual General Meeting, i.e., at the latest by the end of April 18, 2021 (24:00 hours [midnight] CEST) at the following address:

The day of receipt of the request shall not be counted. A transfer from a Sunday, a Saturday or a public holiday to a preceding or following working day shall not be considered. Sections 187 to 193 BGB shall not apply mutatis mutandis.

They will also be published on the Internet at www.morphosys.com/agm and communicated to the shareholders.

The relevant Sections of the German Stock Corporation Act upon which those shareholder rights are based are as follows (convenience translation only):

Section 122 of the German Stock Corporation Act: Convening a meeting upon the request of a minority

- (1) *A general meeting shall be convened if shareholders whose aggregate holding is not less than one-twentieth of the share capital require such meeting in writing, stating the purpose and grounds; such request shall be addressed to the management board. The articles of association may provide that the right to request a general meeting is to depend on another form and on holding a lower proportion of the share capital. The applicants have to prove that they have been shareholders for at least 90 days prior to the day of the receipt of the demand and that they will continue to hold the shares until the decision of the managing board regarding their request is made. Section 121 para. 7 shall apply correspondingly.*
- (2) *In the same way shareholders, whose shares amount in aggregate to not less than one-twentieth of the share capital or represent a proportional amount of not less than 500,000 Euro, may request to have items placed on the agenda and published. Every request for a new agenda item must be accompanied by an explanation of the reasons therefor or a proposed resolution. The request in accordance with sentence 1 must be received by the Company at least 24 days, in case of public companies at least 30 days prior to the general meeting; whereby the day of the receipt is not counted.*
- (3) *If any such request is not complied with, the court may authorize the shareholders who made the request to convene a general meeting or publish such items. At the same time the court may appoint the chairman of the meeting. The notice of the meeting or the publication shall refer to such authorization. An appeal may be made against the decision of the court. The applicants have to prove that they will continue to hold the shares until the decision of the court is made.*
- (4) *The Company shall bear the costs of the general meeting and, in the case of paragraph 3, also the court costs if the court grants the application.*

Section 124 of the German Stock Corporation Act: Publication of requests for supplements; proposals for resolutions (excerpt)

- (1) *If the minority has requested pursuant to Section 122 para. 2 that items shall be added to the agenda, these items shall be published either upon convening the meeting or immediately following receipt of the request. Section 121 para. 4 shall apply analogously; moreover, Section 121 para. 4a shall apply analogously to public companies. Publication and submission shall be made in the same way as applicable for convening the meeting.*

Section 121 of the German Stock Corporation Act: General provisions (excerpt)

- (4) *The convening of the general meeting shall be published in the company's journals. If the shareholders of the Company are known by name, the shareholders' meeting may be convened by registered letter, unless the articles of association provide otherwise; the day of dispatch shall be considered the day of publication. A notification to those registered in the shareholders' register is sufficient.*
- (4a) *In case of public companies which have not exclusively issued registered shares or which do not send the convention directly to the shareholders pursuant to para. 4 sentence 2, the notice shall, at the latest on the date of announcement, be furnished to such suitable media as may be expected to disseminate the information throughout the European Union.*
- (7) *In case of deadlines and dates which are calculated back from the date of the meeting, the day of the meeting itself shall not be included in the calculation. Adjourning the meeting from a Sunday, Saturday or a holiday to a preceding or following working day shall not be an option. Sections 187 to 193 of the German Civil Code (Bürgerliches Gesetzbuch) shall not be applied analogously. In case of unlisted companies, the articles may provide for a different calculation of the deadline.*

Section 70 of the German Stock Corporation Act: Computation of the period of shareholding

If the exercise of rights arising from a share shall require the shareholder to have been the holder of the share for a certain period of time, the right to claim transfer from a bank, a financial services institution or an enterprise active according to Section 53 para. 1 sentence 1 or Section 53b para. 1 sentence 1 or para. 7 of the Banking Act shall be deemed equivalent to ownership. The period during which the share was owned by a predecessor in title shall be attributed to the shareholder, if he acquired the share without consideration from his fiduciary, as universal successor, upon severance of co-ownership, or as a result of a transfer of assets pursuant to Section 13 of the Insurance Supervision Act or Section 14 of the Building Savings Bank Act.

Shareholders' right to information pursuant to section 131 para. 1 AktG in conjunction with section 1 para. 2 COVID-19 Related Measures Act; Shareholders' right to ask questions

The shareholders' right to information pursuant to section 131 para. 1 AktG is restricted in the case of a virtual Annual General Meeting pursuant to section 1 para. 2 COVID-19 Related Measures Act. Accordingly, shareholders have only the right to ask questions by way of electronic communication (section 1 para. 2 sentence 1 no. 3 COVID-19 Related Measures Act). The Management Board may also stipulate that questions must be submitted no later than one day before the Annual General Meeting (section 1 para. 2 sentence 2 clause 2 COVID-19 Related Measures Act). The Management Board of MorphoSys AG has made use of this option with the consent of the Supervisory Board.

Duly registered shareholders have the right to ask questions by electronic communication (cf. section 1 para. 2 sentence 1 no. 3 COVID-19 Related Measures Act). Any questions must be submitted at the latest one day before the Annual General Meeting, i.e., by the end of May 17, 2021 (24:00 hours [midnight] CEST) via the password-protected web service accessible at the Internet address www.morphosys.com/agm in accordance with the procedures provided for this purpose.

Questions submitted after the above deadline or not in German will not be considered. It is possible to name the questioners in principle within the framework of answering the question.

Pursuant to section 1 para. 2, sentence 2 clause 1 of the COVID-19 Related Measures Act, the Management Board shall decide how to answer questions at its dutiful, free discretion.

The relevant Sections of the German Stock Corporation Act upon which those shareholder rights are based and which also set forth under which preconditions the Management Board can refuse to answer are as follows (convenience translation only):

Section 131 of the German Stock Corporation Act: Shareholders right to information

- (1) *Each shareholder shall upon request be provided with information at a general meeting by the executive management board regarding the company's affairs, to the extent that such information is necessary to permit a proper evaluation of the relevant item on the agenda. The duty to provide information shall also extend to the company's legal and business relations with any connected enterprise. If a company makes use of the simplified procedure pursuant to Section 266 para. 1 sentence 3, Section 276 or Section 288 of the German Commercial Code, each shareholder may request that the annual financial statements be presented to him at the general meeting on such annual financial statements in the form which would have been used if such simplified procedures were not applied. The disclosure obligation of the executive management board of the parent company (Section 290 para. 1, 2 of the German Commercial Code) in the general meeting, to which the consolidated financial statements and the consolidated management report is presented, also extends to the situation of the consolidated group of companies and of the enterprises included in the consolidated financial statements.*

- (2) *The information provided shall comply with the principles of conscientious and accurate accounting. The articles of association or the by-laws according to Section 129 can authorize the chairman to set appropriate time limits in regards to shareholders' right to ask questions and speak and to make other determinations in this matter.*
- (3) *The management board may refuse to provide information:*
1. *to the extent that providing such information is, according to sound business judgement, likely to cause not insignificant damage to the company or a connected enterprise;*
 2. *to the extent that such information relates to tax valuations or the amount of individual taxes;*
 3. *on the difference between the value at which items are shown in the annual balance sheet and the higher value of such items, unless the general meeting is to adopt the annual financial statements;*
 4. *on methods of arriving at balances and valuation, if disclosure of such methods in the notes suffices to provide a factually accurate picture of the condition of the company's assets, financial position and profitability within the meaning of Section 264 para. 2 of the German Commercial Code; this shall not apply if the general meeting is to adopt the annual financial statements;*
 5. *insofar as provision of the information would render the management board criminally liable;*
 6. *insofar as, in the case of a bank or a financial services institution, information on methods adopted of arriving at balances, valuation and effected settlements does not require to be given in the annual financial statements, management report, consolidated financial statements or consolidated management report;*
 7. *insofar as such information is available on the webpage of the company at least for a period of seven days prior to the general meeting and throughout the general meeting.*
- Provision of information may not be refused for other reasons.*
- (4) *If information has been provided to a shareholder, by reason of his status as a shareholder, outside the general meeting, such information shall upon request be provided to any other shareholder at the general meeting, even if such information is not necessary to permit a proper evaluation of an item on the agenda. The management board may not refuse to provide such information on the grounds of paragraph 3 sentence 1 nos. 1 to 4. Sentences 1 and 2 shall not apply if a subsidiary enterprise (Section 290 para. 1, 2 of the German Commercial Code) an enterprise with common management (Section 310 para. 1 of the German Commercial Code) or an associated enterprise (Section 311 para. 1 of the German Commercial Code) discloses the information to a parent enterprise (Section 290 para. 1, 2 of the German Commercial Code) for the purposes of inclusion of the information in the consolidated financial statements of the parent enterprise and the information is necessary for that purpose.*
- (5) *A shareholder who has been denied information may request that his question, and the reason for which the information was denied, be recorded in the minutes of the meeting.*

Pursuant to Section 19 para. 4 of the Articles of Association, the chair of the Annual General Meeting may restrict the length of time a shareholder has the right to speak and to ask questions as appropriate.

The relevant Section of the Company's Articles of Association is as follows (convenience translation only):

Sec. 19 para. 4 of the Articles of Association of MorphoSys AG:

- (4) *The Chairman of the General Meeting determines the order of speakers and the consideration of the items on the agenda; he or she may also, to the extent permitted by law, decide on the bundling of factually related resolution proposals into a single voting item, establish reasonable limits on the time taken by the shareholders to speak and pose questions for the entire duration of the General Meeting, for individual agenda items and for individual speakers at the start of or during the course of the General Meeting as well as determine the close of debate as needed for the orderly conduct of the General Meeting.*
